Well it is Tuesday  
morning

I went down to  
the office last night  
to see what I could  
do in the way of  
getting a loan to  
build with, there  
is nothing doing  
won't loan any  
unless have lot paid  
for, so the best

CM

2) thing to do is  
to get ~~what~~ what  
money you have got  
paid in and buy  
that place where  
you are now  
see what kind  
of terms you  
can get it on  
I'm though with  
this thing here I  
won't put another  
dollar in it  
You can do what

3/ you please about  
it

It is only a rich  
mans place, if you  
want to come up  
and see for your  
self all right, I have  
done all I can

I can get a notary  
to fix up those  
papers so you go  
before one and  
swore that is my  
switing and if  
he want do it  
you will half

4 to wait till  
I come down  
which I think  
will be before long  
must close and  
take this to office

Goodby

Love to all
